THE CUMBERLAND GROUP OF SURVEYORS

Invites you to attend our next informative General meeting

“Why Surveyors should be preparing 3D Visualisations and Shadow Diagrams”

featuring Don Urquhart from Project Surveyors who will address us on:

- The basics of preparing 3D Visualisations and Shadow Diagrams

Don was a finalist at the 2007 NSW Excellence in Surveying & Spatial Information Awards and regularly presents his work in the Land & Environment Court to get his clients developments approved. He is a Graduate Surveyor who has been preparing 3D visualisations and shadow diagrams for more than 5 years. Don will illustrate some of the common errors made by members of other professions and discuss why he believes surveyors should be offering these services to their clients.
